The Lunches have been suspended due to lack of participation

Now is the time to join or renew your AAW membership

During the Orlando AAW Symposium, Delta International Machinery donated two new Delta X5 full size Model 46-756 lathes valued at \$2250 each. They were used as demo lathes during the Symposium. They turn 16" over the Steel Bed, and include the basic machine with 2 HP, variable speed 230V motor,

Your chapter can win one of these lathes. The AAW Board of Directors has decided that as an added bonus for our members, that one lathe will be awarded to an individual who either renews his/her AAW membership or joins the AAW between September 1, 2004 and January 15, 2005. The winner will be selected by a random drawing from a pool of members joining or renewing during this period. The winner will be called and asked the name of his/her chapter. That chapter will win the other lathe. That could be your chapter.
