Area Mini-symposium held in the Cincinnati area

OVWG Symposium Oct. 21-23/2005

Richard Raffan, Chris Stott, John Jordan, J. Paul Fennel, Chris Ramsey, Ray Key, and Jimmy Clewes

The OVWG is looking for what they call “guest turners”. These are turners from local clubs who could put on an hour and 15 minute demo either before or after the “pro” turners do their rotation. The guest turners would get their meals paid, an \$80 value, for volunteering to do the demo. These turners would, of course, pay to attend the symposium.
