

**Sept 2005 Meeting Hand out**  
**Review of Club resale items**

**Face plates for 1 1/4 x8 lathe headstock.** We have fabricated a few 4 inch face plates for these lathes, they are sold for \$15 and require some additional work, i.e. more holds painting etc. We have not done any 1 x8 since they are readily available for reasonable cost.

**Sand Paper.** We have made bulk purchases of “Velcro” backed sanpaper for those who cut out their own power sanding discs and sell it by the yard.

**Sealtite** Green wood endgrain sealer is bulk purchased in 55 gal quantities are resold at \$8 per gal.

**Starbond CA Adhesives** Starbond.com

**SPAX** sawtooth woodscrews. The bulk purchase of these screws allows members to obtain them at a reasonable cost since they are reusable if you remember to use a combo (square/Phillips) bit.

**EM-02 Very Thin**

Instant cure, able to penetrate between parts, 2-3 cp very thin viscosity allows up to .002 in gap

**EM -04 Medium thin**

Fast Cure, general purpose, 40 cp thin viscosity, allows up to .004 in gap fill capability

**EM 150 Medium**

Medium cure, broad use adhesive, 150 cp medium viscosity, allows up to .006 in gap fill.

**EM-600 Medium Thick**

medium cure, heavy-duty adhesive, 600 cp medium-thick viscosity, allows up to .008 in gap fill

**EM 2000 thick**

filler, Slow cure, allows maximum time for positioning of parts / materials, Flowable , 2000cp thick viscosity, allows up to .010-.020 in gap fill

**KE-150 Black Medium**

For decoration & gap / hole filling

**Accelerator** instantly hardens all Starbond adhesives

**Debonder** used for the removal of adhesive from fingers and outer surfaces

Day	Date	Time	Event	Location	Topic	Demonstrator	Coordinator
Wed	Sep 7, 05	7pm	Exec Meeting	Greg Smith			Greg Smith
Sat	Sept 17th	10am	Herritage Day	Nature Center	Demo & boxsale	Club Members	
Sun	Sep 18, 05	2pm	Club Meeting	Nature Center	Carving	John Marovich	
Wed	Oct 5, 05	7pm	Exec Meeting	Fitzpatrick			Greg Smith
